From the desk of the Principal, Bright Beginning:

Dear stakeholders

The academic year of 2024 has been very exciting for us. It gives me immense pleasure to present before you the Annual Report of Bright Beginning School for the same period.

Moitrayee Barman,
Principal, Bright Beginning

With a humble beginning in 2013 with 20 tiny tots in 2 rooms, Bright Beginning has now crossed more than 10 glorious years illuminating the lives of more than 1000 students in their formative years. The year 2024 has not been an exception.

The year started from 2nd of January for the freshly admitted students in Class Toddler and Preparatory. Students from previous academic year joined classes after celebrating Bhogali Bihu in the mid of January.

Over 300 tiny tots got enrolled in Bright Beginning during academic year 2024. As the preschool ages are the most formative years in a student's life, we strive to give utmost importance to their fine motor / gross motor development, social skills, discipline, handwriting and most importantly their self confidence.

The students of the graduating class KG passed with flying colours with 50% of them choosing to enroll with the sister concern, Bright Beginning Jr. School. The rest of the students opted for other reputed schools viz Shrimanta Shankar Academy (**%), SFS (**%), MVM (**%) etc.

I, on behalf of the entire community of Bright Beginning wish our students a very bright future ahead.

On 14th February, the students of all classes at Bright Beginning School came together to celebrate **Saraswati Puja** with great enthusiasm.
